

# Exclusive 2013 TGO Challenge embroidered Rab® tops

Courtesy of our friends at Rab®, we're delighted to be able to offer a choice of performance fleece tops to mark the 2013 TGO Challenge. Available in limited numbers, at special prices, they will be embroidered with the 2013 event logo. Order quickly to ensure your fleece arrives in time for the event.

*The TGO Challenge Rab® Micro Pull-on is perfect for the discerning backpacker! Made from Polartec® Classic Micro 100 fleece, this lightweight mid-layer has a deep zip for venting, while its low bulk occupies minimal pack space. The restyled 2013 men's TGO Challenge fleece is available in Pluto (right), while the women's (left) is in Plum. These normally retail for £50 but Challengers can order them for the special price of £37.50, post-free.*

*The lightweight, highly insulating Rab® Boulder fleece tops use hi-loft Polartec Thermal Hi-Loft Pro® in a light weight format, delivering a fantastic warmth-to-weight ratio making them ideal layering pieces to be worn beneath a waterproof shell. The deep pile make up of the fabric means that it is 20% warmer than standard fleece and 40% more compressible. The fabric's hi-loft does make it susceptible to wind passing through – but also makes it supremely breathable and suitable for year-round use. The men's pull-on (right) is available for £43 (usually price £80), while the women's Boulder Hoodie is £45 (usual price £90), both post-free.*

**Complete the form below and send with a cheque payable to TGO Challenge to: John Manning, TGO Fleece, Bridge End, Stainforth, Settle, N. Yorks BD24 9PG. Orders must be received by April 5. If you'd rather collect the fleece in Montrose, after your crossing, please indicate in the box provided; all others will be posted. Note that cheques won't be banked until the order closing date.**
